TRAI DIGITAL CONNECTIVITY RATING

26 SEPTEMBER 2026

What changed?

TRAI launched a web platform + mobile app to assess indoor digital connectivity in properties.

What is rated?

Fibre readiness • 4G/5G coverage • Wi-Fi • Common areas • Lifts • Basements

How it works

Why it matters

Connectivity becomes a measurable property feature for buyers, tenants and developers.

Regulatory base

TRAI (Rating of Properties for Digital Connectivity) Regulations, 2024 • amended May 2026 • Rating Manual 2026

Exam focus: TRAI is a statutory regulator under the TRAI Act, 1997.
