MEMO

Sub : Greater Chennai Police – Instructions on handling civil and cheating complaints - delays in addressing criminal offences that warrant immediate action – Instructions issued – Reg.

Ref: 1. This Office Memo in C.No. 115/COP-GCP/Camp/2024,
Dated: 22.07.2024.
2. Proceedings in C.No. 142/COP-GCP/Camp/2024,
Dated: 24.08.2024.

Attention is drawn towards the above references cited.

In the references cited above, instructions were issued regarding the handling of complaints pertaining to civil issues and cheating complaints. However, it has come to notice that these instructions are being grossly misinterpreted, leading to unwarranted delays in addressing criminal offences that warrant immediate action.

In a recent instance, on 09.12.2024 a petitioner lodged a complaint at S-1 St. Thomas Mount P.S. alleging trespass, destruction and theft in her house committed by her brother-in-law, his family, and ten others. Despite the gravity of the offences, the complaint was not acted upon and remained pending at the station level. The petitioner has further reported another attack on her house by over 40 individuals on 06.01.2025. With respect to the incident on 09.12.2024, the petitioner had approached the office of the concerned Joint Commissioner of Police and Addl. Commissioner of Police wherein; She was supposedly informed that “the complaint is waiting for the City Police Commissioner's approval since there is a standing order by the Police Commissioner that there should not be any FIR registered on land complaints without consulting the Commissioner of Police”.

This is a blatant deviation from the spirit of the instructions issued. The above incidents clearly indicate criminal activities that require immediate legal action. The misinterpretation of the instructions in such cases is unacceptable. The intention of the directions was to ensure careful handling of civil complaints, not to justify inaction in prima facie criminal cases.

Henceforth, in cases requiring immediate action, the Joint Commissioners of Police, Zones, are instructed to obtain the concurrence of the undersigned via phone or WhatsApp promptly without delay in initiating appropriate legal action. It is reiterated that the instructions issued for handling civil complaints must be followed in their true spirit and not misused as an excuse for inaction.

The Joint Commissioners of Police, Law and Order, Zones, must ensure strict compliance with the above instructions. If any lacuna is observed in this regard, the concerned officer will be held responsible.
